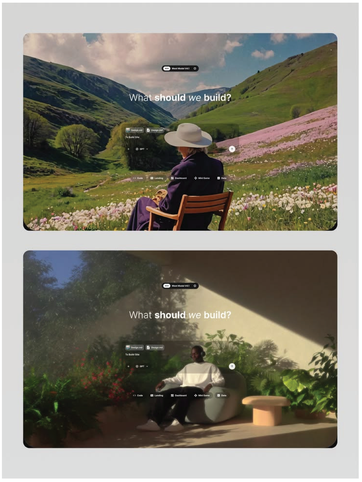
1. password page



(inspo pic at the left)
1. photo should still have a slight animation with particles moving or birds flying or wind.
2. buttons and borders should be rounded and glass type
3. text should start with something like "You are invited!" then a prompt and area to type in password

(sample of what the buttons or borders should be)

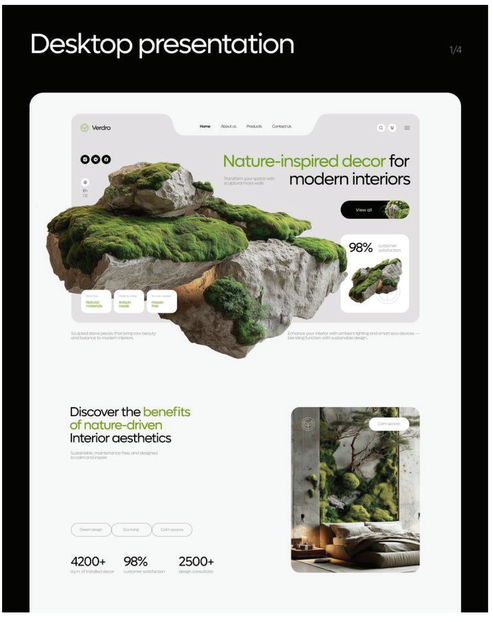
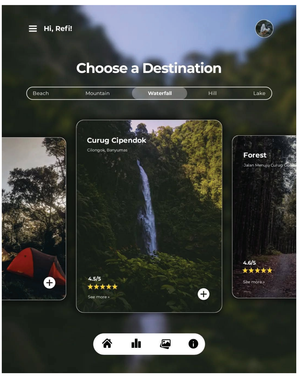
2. intro - journey - wedding page



1. There should be a geometric like the top headers to show logo, rsvp and the area for intro - journey - wedding scroll

3. Journey Page



1. Instead of the wheel can you change it to something like this? Retain the geometric border from the remark above
